Message from the Blessed Virgin Mary Statue Project Team

Dear fellow parishioners we are an independent group acting with the approval of Fr Reg. We are in the beginning stages of collecting information i.e. costs etc for a replacement statue of Our Lady to stand in the niche facing the sea on the seafront (west) wall of our beautiful church. Once we have more specific details we will be sending them out to you via the regular, central parish e-mail; and as soon as possible after the current Covid-19 situation we will invite you all to an awareness meeting, where you will have the opportunity to vote for the candidate statue(s) you would find most appropriate for our Parish. The project will be financed from donations given specifically for the project. General parish or church maintenance funds will not be used.

In these uncertain times we desire to honour our Lady, Mediatrix of All Grace, for her intercessions to the Lord for us as well as her Motherly protection. Thank you very much for your thoughts, ideas and prayers.

If you have any questions or comments, please do not hesitate to contact Maureen Geis or Deacon Mario (mario.kossmann@yahoo.fr).
