

SMALL ALTAR LINEN LAUNDRY ROTA October 2021 – April 2022

(*that is when ideally you collect the laundry after Mass on Sunday but if you do so after the 6.30 pm Mass on Saturday evening, that's fine but then there is more for the next person on the rota!)

PLEASE RECORD YOUR DATES ON YOUR DIARY/CALENDAR

If you make a “swop” it would be helpful if you would please amend the Rota in the Sacristy [on the inside of the doors in the middle set of cupboards] so that we all know where we are.

NOTE: Ironing of Purificators should result in a finished folded item of approx 10 cms [4 inches] in width with the Cross towards the top of the finished fold. Old stocks still being used so the Cross is sometimes smaller than the largish Red Cross on the new Purificators.

Starch not required.

Lavabo towels can easily be distinguished as they have a white cross. Please iron as for a Purificator.
